This stage adaptation of Andrew Clements' award-winning novel will inspire creativity in your students. Main character Nicholas Allen has plenty of ideas, like the time he turned his third-grade classroom into a tropical island. But now Nick's in fifth grade, and it looks like his days as a troublemaker are over - or are they? This imaginative tale about creative thought and the power of words will have students excited about reading and creating new ideas.

It will cost your child \$ \_\_\_\_\_ for the performance.

Please send additional \$ \_\_\_\_\_ to cover the cost of the tour and bus transportation.

**My child, \_\_\_\_\_ has my permission to travel by bus to TPAC on the performance date listed above.**
