

# PAUL TAYLOR DANCE COMPANY

## MAY 30-31, 2025

TPAC's Polk Theater | Running Time: To Be Determined | *Recommended for ages 12+\**

**"The American spirit soars whenever Taylor's dancers dance."** – *The San Francisco Chronicle*

In this mixed repertory program, "Boogie Woogie Bugle Boy" and exuberant 1940s hit songs from the Andrews Sisters inspire *Company B*, Paul Taylor's seminal Americana tribute to the war years. In *Esplanade*, Taylor finds poetry among natural movements of running, skipping, sliding, and rolling in this extraordinary masterwork, set to two glorious violin concertos by Johann Sebastian Bach.

*\*To ensure an enjoyable experience for everyone, we recommend that children be 12 and up. Shows are often more than two hours long and are not always ideal for younger children, however, it is up to you to decide if your child will be able to sit through a full production. Everyone, regardless of age, requires a seated ticket. There are no lap seats.*
