Add a little magic to your school with Disney Musicals in Schools, an initiative of The Tennessee Performing Arts Center that ignites a passion for storytelling by building sustainable musical theatre programs in regional public elementary and middle schools.

By providing free performance materials and free professional development to participating schools, Disney Musicals in Schools has helped schools across the US and UK launch new theater programs, inspiring the next generation of diverse storytellers, artists, and audiences.

Up to six schools will be selected to participate in the 2026-27 school year **free of charge**. Any Davidson County public middle school with the student body considered 45% or higher economically disadvantaged is eligible to apply, but hurry—the application deadline is **May 20**.

The goals of Disney Musicals in Schools are to:

1. Create sustainable musical theatre programs in public elementary and middle schools.
2. Provide school faculty with the training and tools necessary to support student performance and production, and to empower them to do so.
3. Develop a critical awareness and appreciation of the arts within the school.
4. Develop a strong community, including students, parents, faculty, staff, and neighbors.
5. Expose students and school faculty to the wide spectrum of skills that are developed when producing a piece of musical theatre, including critical thinking, problem solving, ensemble building, communication, self-confidence, and interpersonal skills.

Disney Musicals in Schools presents a special opportunity to introduce the collaborative art of musical theatre to your school, strengthen your arts programming, and develop partnerships among students, faculty, staff, and the greater community.

Please note: Recipient schools will receive various levels of support over a period of three years. Since the goal of the program is to build sustainable theater programs, applications from schools that have participated in the program in the last five years will not be considered.

Complete the following application and return by May 20 to khorsley@tpac.org.

PROGRAMMING

The program requires weekly rehearsals. Middle Schools may choose to hold two 2-hour rehearsals per week for 25 weeks, or three 2-hour rehearsals per week for 20 weeks. Do you confirm that you will meet this requirement? _____ Yes _____ Which schedule will you confirm?

2 days of 2-hour rehearsal per week _____ 3 days of 2-hour rehearsal per week _____

Which days and times could be used for rehearsal? Please note: this program is offered after-school only.

The work of producing a musical requires collaborative and individual planning time. It's helpful if the School Team is available for brief planning meetings before and/or after each rehearsal and for periodic longer meetings throughout the process. How will your team approach this necessary planning time?

It is ideal for students to rehearse in the same space they will perform with additional breakout spaces available (e.g. empty, quiet hallway or nearby classroom). What spaces in your school will be used for rehearsal? Is your auditorium shared by another school or program and if so, how will you make arrangements to reserve the space? Keep in mind that other concurrent uses of the space (e.g. dismissal, other clubs) are not compatible with the rehearsal process.

How will your school make adjustments that students, teachers, and space will all be available at the same time for 2 hours three times a week?

Do you offer any after-school programming in your school? _____

If yes, please list the programming below:

Do you produce a formal piece of musical theatre every year? _____

PROGRAM SCOPE

How would you use Disney Musicals in Schools to develop an ongoing tradition of musical theatre at your school?

Why is it important for your students to have access to the performing arts?

Disney Musicals in Schools requires time, effort, and collaboration from the school faculty participating in the program, and from the school's leadership team. What steps will your School Team take to ensure the success of the program? How will the school's administration support the program?

What is unique about your school, your students, or your community that makes Disney Musicals in Schools the right program for you?

Is there anything else you would like to tell us?
